PROGRAMMING LANGUAGES & TOOLS

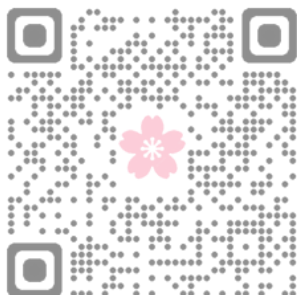

Python, R, JavaScript, Java,
HTML, CSS
Tensorflow, P5.JS, ML5.JS
Github, Arduino
MySQL, Oracle SQL
Spark

EDUCATION HIGHLIGHTS

**Dr. Abdul Kalam Technical
University**
BTech Electronics
• Aug 2018 - Jun 2022
• Current GPA 8.02 / 10

PROJECTS

Some projects are available on
my online portfolio
aditimishra28.github.io
Made with  hosted on github

EXPERIENCE

IBM | Jun 2022 - Present

Associate Systems Engineer | Data Engineer

- Worked on Big Data Systems for big data management and analysis using AWS, Azure, Hadoop, Spark, DataBricks, etc

GirlScript Winter Of Contributing | Sept 2021 - Nov 2021

Intern

- Open Source Contribution

Kid Aptivity Technologies | Jun 2021 - Apr 2022

Python / ML Trainer

- Taught python to students, focusing on automation and machine learning
- Worked on libraries like pandas, numpy, sk-learn, and much more

Remark Skill Education | Mar 2021 - Apr 2021

Intern

- Created python scripts for various computation tasks
- Wrote a web scraper in python for gathering and analysis of text data

Tech-A-Mania | Jun 2020 - Aug 2020

Technical Content Writer

CERTIFICATIONS

- Google Developer Student Clubs, IERT AI/ML/Data Science Lead
- 30 Days Google of Cloud
- Machine Learning with Python - IBM
- Introduction to Deep Learning & Neural Networks with keras
- Python Programming course – University of Michigan(Coursera)
- Microsoft Technology Associate(MTA): Introduction to Programming using Python
